Our hope is that you and your church group can help us by sponsoring a pupil (child) every month at \$35 per month or \$420 a year. The money will enable us pay teachers, finish the school building, feed the children while they attend school and purchase supplies for the school. Thank you for your partnership in this valuable work.

May the LORD GOD Bless and Keep You All in JESUS Name.

We are on Holidays at Mission School of Hope

We have been so thankful to God for the school year that just finished and we are trusting him for the next school year. We are most grateful for all your steadfast care and generous donations. We highly appreciate you all.

Although we are on holidays, we feed the children twice a week, those that are able to make it to school since some help their parents in farms, hunting, fishing, cooking etc.

Waiting for his mother to serve him lunch
Bonne appetite!

We have Registered 30 births at the clinic

Even though our children are on holidays and we miss the noise of their numerous games during break time, there is another noise that we hear from time to time; that of new born babies at the clinic.

As we said in our June newsletter, our Medical Dr. Tabondzou Matias was diagnosed of suffering from cerebral meningitis and has to live in the city where he can have medical care. Please, we solicit your prayers for him. **We have a new doctor and his name is Dr. Ndi Christopher Achu.** We will post his picture in the September newsletter.

WHERE DO I SPEND MY TAX DEDUCTIBLE CONTRIBUTION

We are pleased to partner with the Missionary Society of the National Association of Congregational Christian Churches (N.A.C.C.C.) for fiscal accountability. All contributions are tax deductible. Financially, integrity is key to our ministry. We highly value the trust you placed in the Mission School of Hope with each dollar that is given. Please do not hesitate to contact the N.A.C.C.C. to learn more about their ongoing work with Pastor Charles Sagay and the Mission School of Hope.
